20 Service Support Administrators (SSAs) of Portage County Board of Developmental Disabilities are responsible for ALL services for people with disabilities in Portage County.

20 SSAs are the single point of contact for more than 700 people with disabilities in Portage County. They are responsible for Intake & Eligibility, Crisis Intervention and Resolution, Service Coordination, Advocacy, Monitoring of Services, Information and Referral, and Individual Service Plan Development

20 SSAs are responsible to ensure QUALITY care for people with disabilities. They help individuals connect to family, friends and community to help them to achieve their needs and dreams.

20 SSAs help people with disabilities in Portage County choose caregivers for their home, work and social life and assist them in Self Advocacy and Independence.

20 SSAs generate most of the money that comes into Portage County Board of Developmental Disabilities. They manage and maintain Medicaid funding.

20 SSAs are HIGHLY QUALIFIED and EXPERIENCED!

20 SSAs have not had a cost of living raise in over 9 years!
Please contact Portage County Board of DD and ask them to negotiate a Fair and Equitable Contract with the SSA's.
