The OEA Fund for Children and Public Education (OEA Fund) is the OEA's political action committee (PAC) for members of the Ohio Education Association.

OEA members from across the state contribute to the OEA Fund. It is funded entirely with voluntary contributions from OEA members, members' families, and OEA staff to strengthen Ohio's public schools and improve the lives of public educators and the students they serve.

The Fund makes contributions to candidates who are recommended for endorsement by the OEA members across the state who serve on the OEA Fund's Screening Committees. These recommendations are made entirely based on a candidate's positions on public education issues, regardless of political ideology or party affiliation.
